I am highly motivated to learn and constantly score points through daring and creative thinking. My hands-on experience in strategic consulting and communication is enhanced with theoretical thinking from my undergraduate in B.A. combined with my Management Master's degree in Sustainability and Innovation. I have brought my core values of teamwork, empathy and reliability to all challenges and will do so in all future endeavors.

Professional Experience

EADA BUSINESS SCHOOL

Top ranked Spanish Business School with unique leadership development courses.

01/2020 – 07/2020
